

*'tis the season*

TO BE JOLLY

'Giving Trees' enable you to take part in the Toy Giving scheme run by ToyBox Project.

1. Take a tag
2. Scan the code on the tag or visit [ToyBoxProject.co.uk/wishlist](https://ToyBoxProject.co.uk/wishlist) to view the Amazon Wishlist
3. Purchase a toy

The toys are automatically sent to ToyBox Project, who will then gift it to a child in need.

As they work with health, education, third sector and the council to identify those in need, you know that your toy is going to someone in need.

This scheme is run all year round, because we operate all year round.

Thank you for helping ensure children have access to toys.
